Monthly Bulletin

APRIL 2026

Wharfside Manor • Monmouth Beach, NJ

Dear Neighbors,

Spring has officially arrived at Wharfside Manor, and with it comes a season of exciting progress and community renewal. March was an exceptionally busy month for your Board — bid reviews with engineers, important governance decisions, and significant planning work for pool season and major infrastructure projects. We have a lot of good news to share.

Please read on for updates on our major projects, an important board roster change, upcoming community events, and reminders as we head into warmer weather.

Board of Trustees Update

The Board has an important roster change to share this month. **Taryn Frost has resigned from the Board** following the sale of her home. Taryn served with dedication and professionalism, and we are deeply grateful for her contributions to our community. As Taryn noted in her farewell: *"The time and dedication you all put into the selfless role of the board is thankless to some, but after my short time seeing behind the scenes, it is truly remarkable."* We wish Taryn and her husband Dino all the best.

Welcome Linda Masessa — New Treasurer

The Board unanimously appointed **Linda Masessa as Treasurer** in a board vote conducted March 10–12. Linda is a former Board member and CPA with decades of financial oversight experience. We are delighted to welcome her back and confident in the steady hands she brings to this role.

Power Washing — Action Required

All buildings, patios, and balconies will be **power and soft washed on Saturday, April 11 and Sunday, April 12.** Buildings 1–4 will be washed on Saturday, and Buildings 5–8 on Sunday.

What You Must Do Before Your Building's Day:

- **Close ALL windows and balcony doors** during the work.
- **Remove ALL items from your patio or balcony** before work begins. This includes furniture, planters, grills, decorations — everything.
- The vendor will **NOT clean balconies or patios with items left on them** and will **NOT be responsible for damage** to any items left behind.
- The contractor will **NOT return** to complete any balconies or patios that were not cleared.
- If you have **renters**, it is **your responsibility** to inform them of these requirements.

Please plan ahead and have your balcony or patio completely cleared the evening before your building's scheduled day. This ensures the work can be completed efficiently and protects your belongings.

DCA Re-Inspection — April 14 & 15

The Department of Community Affairs (DCA) will be conducting **re-inspections on April 14 and 15.** Affected unit owners will receive a separate notification with details. Please ensure your unit is accessible and any previously noted items have been addressed.

Bike Room & Storage Area Cleanup — Action Required

All personal items improperly stored in bike rooms and open storage areas must be removed by mid-April. Personal belongings may only be kept inside your unit or in your designated storage cubby.

Items left behind after the deadline will be discarded with no exceptions. Please take the time now to retrieve anything you have stored in these areas.

A new bike identification sticker program is also in development — details will be shared when the program is ready to launch.

Heating Infrastructure Upgrade

The community-wide boiler and piping replacement project continues to advance. Our engineering firm has completed a full review of all contractor bids, and the Board is actively evaluating proposals. This is a multi-phase project to modernize heating systems across all eight buildings — one of the most significant infrastructure investments in Wharfside Manor's history.

The Board is committed to making a well-informed decision and will communicate next steps as they are determined.

Winter Storm Recovery — Ongoing

Work related to the February winter events continues. ECI and our contractors have been making steady progress across affected units and crawlspaces throughout March, including insulation removal, antimicrobial treatment, and emergency plumbing repairs.

If you have an outstanding issue related to the winter storms that has not yet been addressed, please submit a work order through ECI.

Pool Season 2026 Updates

We have exciting news for pool season! The Board has made several important decisions to improve your pool experience this summer.

New Pool Company: Alta Aquatics

The Board unanimously approved Alta Aquatics as our new pool management company. They are a local company — just five miles away — with excellent references from other condominium communities in the area. We expect a more responsive and community-focused pool operation this season.

Mark your calendars — pool season is just around the corner!

Mark Your Calendars!

Opens: May 23 | **Closes:** September 8

Daily Hours: 10:00 AM – 7:00 PM

Weekends only: May 23 – June 19 | **Open daily:** June 20 – September 8

Marina Restoration Project

The Marina project continues to advance. With **DEP Land Use Approval** in hand, construction planning is ongoing and the Board is meeting with engineers and contractors to finalize the next phase.

This has been years in the making, and we are excited to see the project moving forward. We will continue to share updates as the project progresses.

2026–2027 Insurance Renewal Milestone

We are pleased to announce that the Association has completed its insurance renewal for the 2026–2027 policy year — and the results are outstanding.

Approximately $200,000 in Annual Savings

After a thorough review of our options, the Board voted unanimously to switch the Association's insurance to **World Insurance**, resulting in approximately **$200,000 in savings** compared to the prior year's premium — with equivalent coverage from A/A+ rated carriers. We commend Property Manager Kathy Vanecek for her diligent work in securing these savings on behalf of the community.

New insurance certificates have been posted on the **owner portal** and distributed via email. If you need a copy for your mortgage lender or records, please log in to the portal or contact ECI.

Reminder: HO-6 Insurance Requirement

All unit owners are required to carry a Condominium Unit Owner's Policy (HO-6) with coverage sufficient to address the Association's **$50,000 deductible.** The winter pipe events were a stark reminder of how critical this coverage is. **Declaration pages must be provided to management annually, and the Association must be named as additionally insured on all HO-6 policies.** If your policy has lapsed or you are uncertain about your coverage level, please contact your insurance agent right away.

Fob Access System Expanding New

The Board is expanding our fob access system to additional common areas. This is the **same fob system successfully used at the pool last summer.** We are now updating the fob readers for the **laundry rooms and Gym**, bringing consistent security and access control across all shared amenities.

Fob Registration Required

All fobs must be registered as part of the **Wharfside Census.** If your fob does not work at any of the new readers, please contact ECI at **732-970-6886** to ensure your census information is up to date.

Temporary Laundry Room Access Disruption

While the new fob readers are being installed, there may be **temporary interruptions to laundry room access.** We apologize for any inconvenience and thank you for your patience as we work through this transition.

Maintenance at a Glance

March: 20 new requests
Currently Open: 154 work orders across the community

Top categories: doors, outdoor deck and patio repairs, hard floors, and mold/mildew remediation. With spring underway, ECI and our vendors are focused on working through the backlog while preparing the property for the warm-weather season. If you have a non-urgent maintenance request, please submit it through the ECI work order system.

Upcoming Board Meeting

> The next **Monthly Board Meeting** is being scheduled for **April 13 or 14** — date will be confirmed shortly. All residents are welcome to attend. Meeting details and dial-in information will be sent in advance.

Community Reminders

Power Washing — April 11 & 12: As detailed above, all items must be removed from balconies and patios before your building's scheduled day. Windows and doors must be closed. This applies to owners and renters alike.

HO-6 Insurance: All unit owners are required to carry a Condominium Unit Owner's Policy (HO-6) with coverage sufficient to address the Association's $50,000 deductible. If you are unsure about your coverage, contact your insurance agent now.

Common Area Storage: Personal belongings must be kept in your assigned storage area only. Hallways, stairwells, and common areas must remain clear at all times for fire safety and emergency egress. The Board will continue to remove unauthorized items found in common areas.

Pet Policy: Pets must be on a leash at all times. Pets are not permitted on the grass, in flower beds, or in common areas. Please clean up after your pets promptly.

Parking: All vehicles must display a valid parking permit and be parked in the designated space shown on your permit. Visitor parking is limited — please use designated visitor spaces only.

Contacting the Board: Please direct all questions, maintenance requests, and concerns to ECI at **732-970-6886** or through the ECI work order system. Board members are volunteers and appreciate your understanding in routing inquiries through management.

Move-In / Move-Out Policy: The move-in/move-out deposit resolution is being finalized. Full details will be communicated to residents when complete.

Your Board of Trustees

PRESIDENT **Giuseppe Gencarelli**	VICE PRESIDENT **Mike Serhat**
SECRETARY **Nick DeMarco**	TREASURER **Linda Masessa**

Trustees: Thomas Bopp, Anthony D'Anna, Timmy Mucaj, Gary Passenti

April brings warmer days, new beginnings, and a community with a lot of exciting things underway. From the boiler project to a fresh pool season to ongoing storm recovery work, your Board and management team are working hard on your behalf every day. We are grateful for your patience, your cooperation, and your community spirit.

Wishing everyone a wonderful April — and enjoy the spring weather!

Warmly,

Wharfside Manor Board of Trustees and Management
